## What's up at St. Andrew's...

**Rev. Christine is on vacation for the month of August. In case of a pastoral emergency, please call our Clerk of Session Marilyn Henry to be connected with the minister on call.**

**Worship online:** our Facebook Live worship services in **September are at 10:30am** and will run alongside our in-person services when we head back into our building on September 20<sup>th</sup>.

**What's that you say? In-person worship? Yes!**

**Here is a note from your Re-Entry Team:**

### This September we're headed back to church!

St. Andrew's United will resume welcoming people to in-person worship services in our church building beginning on **September 20<sup>th</sup> at 10:30am**. Here are some things that you need to know to join us:

- Masks must be worn to enter and exit the building and anytime you are moving about the building while others are present. Masks may be removed upon arriving at your seat.
- There will be marked areas, properly spaced, to queue for entry to the church building. Do not move forward until the space before you has been cleared. An usher will indicate when each person/group may enter, thus moving the line forward.
- In the vestibule:
  - You will be asked the standard screening questions
  - You will be asked to sanitize your hands.
  - Your name(s) and contact information will be recorded for contact tracing.
- Collection plates will be placed at the entrance and at the exit.
  - There are also several ways that you can donate electronically anytime.
- In the sanctuary:
  - You must proceed only in the directions indicated by arrows.

- Try to avoid contacting surfaces with your hands.
  - Follow the guidance of the ushers to your seat.
  - Seating will proceed from the front to the back.
  - There will be no preferred seating. The next entry will not be permitted until seating is completed.
  - The only people allowed to sit in groups would be those who are in one household or have arrived in the same vehicle.
  - Any children attending must remain seated in the "family" group they arrived with.
  - Once seated, you must remain in your seat. If for some reason you need to leave your seat, indicate to a masked usher what your need is.
  - There will be no hymn books. There will be no Choir. There will be no singing. (Case reports have shown that singing, especially in enclosed spaces, can be a potent distributor of Covid-19)
  - Maximum capacity is limited to 50 persons (per NB Dept. of Health)
- Exiting the building will proceed from the front, past the platform, through the door to the CE Centre, and immediately out through the side door.
    - Sanitize hands again upon leaving the sanctuary
    - Remember, any post-service conversation in the parking lot must take place at a distance of 6 feet or greater.

### \*\*\*For those with mobility issues (unable to use the steps)

- Please arrive early to be seated first
- Another usher/volunteer will be at the side entrance (CE Centre) to monitor and assist

**Things will look different and maybe feel different when we get back together on September 20<sup>th</sup>, but what won't be different is who we are as a community and the fun we have together. Promise!**

### Thank you!

In these times of uncertainty, your generosity helps!
