### **SPRING**

**The flowers appear on the earth!**

**The time of the singing of the birds is come,**

**And the voice of the turtle is heard in the land.**

(Song of Solomon 2:12)

**Spring is a time of new life and beginnings. Look around for signs of spring-robins returning, buds forming on trees and leaves popping out, sun rises higher in the sky, snow melting, frost disappearing and ..... It is spring all of a sudden and relish in the thought.**

**Easter has passed and Jesus has risen, He is risen indeed!**

### **WHEN DAFFODILS APPEAR**

**It is as if God says to us, "Behold this day I give**

**The gift of life to every growing thing,"**

**We, too, like the daffodils, once more begin to live**

**Quickened by the magic of the spring.**

(Taken from a poem by Patience Strong)

**Why not join Rev Christine Johnson and the congregation of St Andrew's United Church on Sunday mornings at 10:30am for in person (if we are in the yellow level) and online services to celebrate spring with us.**
